

**FL-USA 214 Single Mode 20 km ( max. 12 miles ) 100 Mbps [ order two units to complete a fiber route ]**

**Model No. FL-USA 214** – Order 2 Each 100 M Bit Single Mode (glass) Stand-alone System, External Power Supply, SINGLE port 10/100Base-TX to 100Base-FX media converter card, SC type Connectors , Single-mode, Dual Fiber, One Transmit, One Receive at 1310nm, fiber optical distance up to 20km (0 - 12 miles)

**Price Each: \$335**

Government Contract Price Each: \$295 **Note: Order in pairs**

**FL-USA 280/283 WDM Single Mode 20 km ( max. 12 miles ) on a  Single Fiber 100 Mbps [ order one of each type ]**

**Model No. FL-USA 283** - 100 Mbps WDM **Type A**, Stand-alone System with External AC Power Supply, SINGLE port 10/100 Base-TX to 100Base-FX media converter card, SC type Connector, Single-mode (glass), Single Fiber, **Transmit at 1550 nm**, Receive at 1310 nm, fiber optical distance up to 20km, multi-mode (plastic) fiber may be used up to 600 meters.  **Recommended model to conserve installed fiber plant.**

**Price Each: \$485**

Government Contract Price Each: \$425 **Note: Order in Matched set, one of each model.**

**Model No. FL-USA 280** - 100 Mbps WDM **Type B**, Stand-alone System with External AC Power Supply, SINGLE port 10/100 Base-TX to 100Base-FX media converter card, SC type Connector, Single-mode (glass), Single Fiber, **Transmit at 1310 nm**, Receive at 1550 nm, fiber optical distance up to 20km, multi-mode (plastic) fiber may be used up to 600 meters.  **Recommended model to conserve installed fiber plant.**

**Price Each: \$480**

Government Contract Price Each: \$420 **Note: Order in Matched set, one of each model.**

**FL-USA 286 Multi-Mode 600 meters @ 1000 Mbps [ order two units to complete a fiber route ]**

**Model No. FL-USA 286** – Order 2 Each 10/100/1000 Mbps Gig E Multi-Mode (plastic) Stand-alone System, External Power Supply, SINGLE port, Fully Automatic 10/100/1000 Base-TX to 1000 Base-FX media converter, SC type Connectors, Multi-mode, Dual Fiber, One Transmit, One Receive at 850nm, fiber optical distance up to 600 meters.

**Price Each: \$595**

Government Contract Price Each: \$520 **Note: Order in pairs**

**FL-USA 287 Single Mode 10 km ( max. 6 miles ) @ 1000 Mbps [ order two units to complete a fiber route ]**

**Model No. FL-USA 287** – Order 2 Each 10/100/1000 Mbps Gig E Single Mode (glass) Stand-alone System, External Power Supply, SINGLE port, Fully Automatic 10/100/1000 Base-TX to 1000 Base-FX media converter, SC type Connectors, Single-mode, Dual Fiber, One Transmit, One Receive at 1310nm, fiber optical distance up to 10 km ( maximum 6 miles ).

**Price Each: \$795**

Government Contract Price Each: \$695 **Note: Order in pairs**

**FL-USA 212 Multi-Mode 2000 meters @ 100 Mbps [ order two units to complete a fiber route ]**

**Model No. FL-USA 212** – Order 2 Each 10/100 Mbps Multi-Mode (plastic) Stand-alone System, External Power Supply, SINGLE port, Fully Automatic 10/100 Base-TX to 100 Base-FX media converter, SC type Connectors, Multi-mode, Dual Fiber, One Transmit, One Receive at 1310nm, fiber optical distance up to 2000 meters.

**Price Each: \$265**

Government Contract Price Each: \$235 **Note: Order in pairs**
